GDI Marketing Tips For The Frustrated

far many more signups then the ones that don't use it. Yes it raises your cost of doing business but you have 6 other income streams of income besides GDI. The referral income that Tissa pays out every two weeks based on the number of leads you get through steps 1 through 3 can provide you with a excellent advertising budget to do other things with.

After completing the 3 step process Tissa will credit your commission account with \$125 which is a great start. But once you complete those three steps you need to take the time and learn the system. Tissa has a great back office and you should read "**Teach Me How To Fish**" to begin with. I have heard people tell me that they have used the system in the past and it didnt work. Well chances are you didn't put your time and learn it. It works and it is building my team faster using it than anything else out there that I have tried.
