Edit a GVO eResponder Shared Campaign

classid="clsid:d27cdb6e-ae6d-11cf-96b8-444553540000" width="425" height="344"
codebase="http://download.macromedia.com/pub/shockwave/cabs/flash/swflash.cab#version=6,0,40,0">

If you're on our GVO Team there are many eResponder or autoresponder campaigns that you should ask your upline if they can share with you. They will then provide you a code and you can easily download the campaign to your GVO eResponder account. Once you get it added you can use this video to edit each email within the campaign so that they will have your name and your links within it.

Hope this helps,

Scott
